

3 Wheelers

Thinking of getting a 3 wheeler stroller for your child? 3 wheelers are lighter, more maneuverable, and usually cheaper. They're perfect if you live in an area with many tight spaces.

Here are some brands of 3 wheelers we have for you:

Mountain Buggy - Enjoy the versatility of this 3 wheeler which is lightweight and ideal for both the city, and off the road.

Phil&teds - Choose from the multi-terrain Navigator which is high in safety features, or the ultra-compact Dot for the city.

Mountain Buggy - Choose from 3 wheelers suitable for all terrains, or extra compact 3 wheelers for tighter spaces.

And if you want to go running with your stroller, the Bumbleride and Out n About allows you to do just that.

Do we have any 3 wheelers suitable for you and your lifestyle? Take a look at our range now and see for yourself.
