

Baby Booster Seats

Keep your child secure in the car with some of the safest and most comfy booster seats on the market.

Here are some of the brands of booster seats we have available for you:

Safety 1st - They make stylish seats and are best known for their Air Protect™ revolutionary side impact technology, assuring the maximum safety for your child.

Maxi Cosi - A good brand if you want your seat to last you a long time. It's durable and easy to clean, and can seat children from 6 months all the way up to 7-8 years.

Infasecure - They create some of the safest booster seats on the market, and they also have a folding seat for portability.
