

## **Crystal Head Vodka**

Want a pure vodka that is extra special and unique? One that goes down smoothly without the unpleasant aftertaste? With Crystal Head vodka you'll be pleasantly surprised.

Crystal Head vodka comes in an amazing skull shaped bottle designed by the artist John Alexander which makes a great ornamental piece. It is this type of presentation that makes Crystal Head Vodka great to give as a gift to your vodka-loving friends or relatives.

For an extra special gift you can also buy the Crystal Head Rolling Stone Gift Pack, which comes in a box that commemorates the 50th anniversary of the band, and contains two CD's packed with some of the bands biggest hits in concert.

If you buy this premium skull Crystal Head vodka from us here at Jim's we'll deliver it right to your door as soon as can be.
