

Rockabye Baby

No more boring lullaby music! Now you can rock your baby to sleep with RockaBye Baby lullaby renditions of some of your favorite songs, produced by some of the most well known artists in the world.

These are not just ordinary artists. They are big names in the industry like AC/DC, Bon Jovi, Cold Play, Smashing Pumpkins, and The Beatles.

These collections allow you to expose your child to your favorite musicians at an early age and develop their musical tastes.

All these songs are gentle and calming enough to soothe your baby to sleep, but still rocking enough for you to enjoy! You can also play them at other times when you just want to enjoy some relaxing music yourself.
